

Charter Global™
Strategy • Technology • Solutions

“Charter Global has effectively worked with us in delivering superior and creative IT solutions.”

- NCR

**Your Strategic
Technology
Services
Partner**

Charter Global has successfully provided strategy, IT services, consulting, digital and business solutions for mid-size and Fortune 1000 companies in multiple industries since 1994.

Our unique value is driven by our extensive experience, our expert resource pool and our results-oriented approach. For us, it is all about the relationships and the trust we build collaborating and solving complex business critical challenges.

Our formula for success is our ability to consistently anticipate business needs and leverage our capabilities to respond quickly with best practice solutions.

Services

Charter Global engages across your entire technology continuum: from initial strategy and assessment, to project prioritization and scoping, to team augmentation, implementation, deployment and ultimately, ongoing management.

Charter Global leverages experience gained from projects in multiple industries to support and execute effectively on our clients' project needs.

Results-Oriented Approach

- ✓ DevOps & Agile
- ✓ Workforce Advancement
- ✓ Risk & Security
- ✓ Strategic Collaboration
- ✓ Global Execution
